

BBG BULLETIN

We love to share student achievements in the BBG Bulletin, and this week are delighted to share news of four students who have had success outside of school in the last couple of weeks.

If you have any exciting achievements to share, please send us the information and a photograph and we'll celebrate it with Team BBG!

Erin Padgett, Year 7

Erin is a passionate cyclist, and has recently competed in the 2026 White Rose Youth League. This is a youth cycling series, which features track and circuit events across various regional venues. Erin won the Under 12 category. Well done Erin!!

Logan Naylor, Year 7

Logan loves to sing and play guitar, and last weekend he took part in the Phab Festival talent show. He performed I Predict a Riot by the Kaiser chiefs, and impressed the judges enough to walk away with first place! Great work Logan- we look forward to hearing you sing live some time

Zachary Heeson, Year 10

Zachary Heeson competed in his first county-level athletics competition for Spennings and accomplished some fantastic results! In discus, he secured 1st place, with a distance of 27.52m and in shot put, he came second, with a distance of 9.12m. We are super excited to see what Zachary goes on to achieve, after only joining his current athletics team a couple of months prior to the competition.

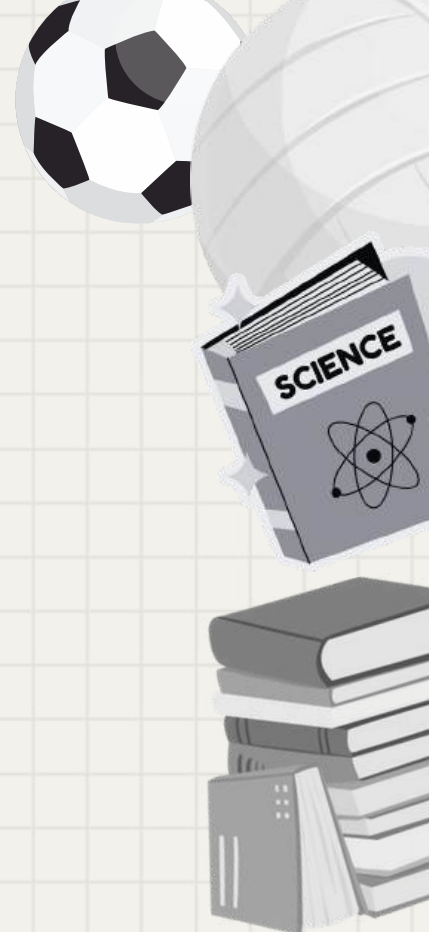

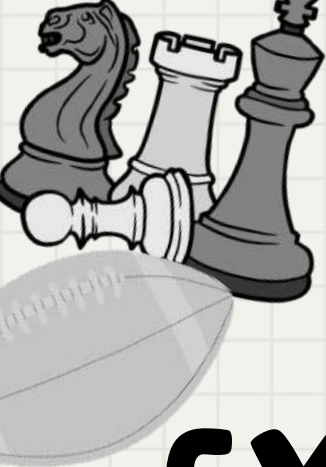

Betty McGlone, Year 9

Congratulations to Betty McGlone in Year 9 who did brilliantly well this weekend in the Leeds Running Festival. Betty ran the 10k course in an incredible 50 minutes and 11 seconds, meaning she finished 1st in her age category, and 3rd quickest female overall! Out of a total 387 runners involved she managed to finish 41st, well done, Betty!

Could you be the star of next week's Bulletin? Email Miss Sanderson with your news...

BBG ATTENDANCE TEAM - MRS N DURNALL & MS C HEZLEWOOD

The first Growing Minds since the summer holiday found us surveying the damage done by the hot summer. Beetroot and sweetcorn are stunted due to lack of water. Luckily the watering system we set up in the polytunnel has worked and kept tomato plants and courgettes alive. We managed to crop some tomatoes, potatoes and a decent sized marrow as well as a few small corn on the cob. We also planted some leeks and did some weeding and planted up the boxes with some colour at the front of school. Well done team.

BOOKS OF THE MONTH

YEARS 7 AND 8

Late one night, three otherworldly creatures appear and sweep Meg Murry, her brother Charles Wallace, and their friend Calvin O'Keefe away on a mission to save Mr. Murry, who has gone missing while doing top-secret work for the government.

They travel via tesseract — a wrinkle that transports one across space and time — to the planet Camazotz, where Mr. Murry is being held captive. There they discover a dark force that threatens not only Mr. Murry but the safety of the whole universe.

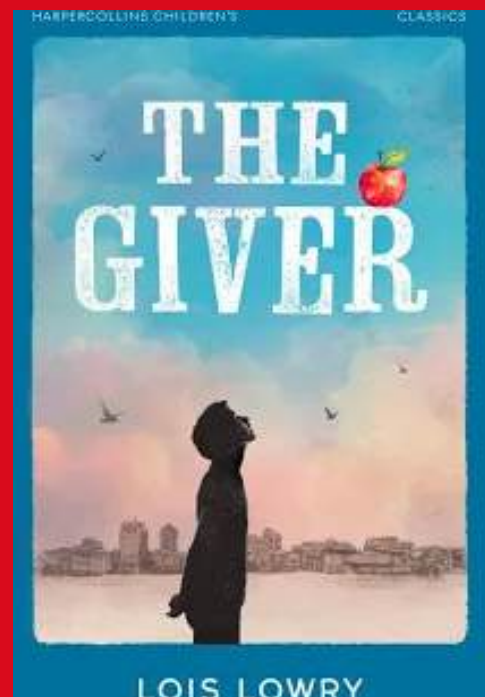

YEARS 9 AND 10

It is the future. There is no war, no hunger, no pain. No one in the community wants for anything.

Everything needed is provided. And at twelve years old, each member of the community has their profession carefully chosen for them by the Committee of Elders.

Twelve-year old Jonas has never thought there was anything wrong with his world. But from the moment he is selected as the Receiver of Memory, Jonas discovers that their community is not as perfect as it seems.

It is only with the help of the Giver, that Jonas can find what has been lost. And it is only through his personal courage that Jonas finds the strength to do what is right...

STUDENT OF THE WEEK Year 7

Dexter Whiting-Squires has made a fantastic first impression in English this week - managing a head stand in an alliterative ice-breaker and then writing and performing his version of Hansel and Gretl told from the witch's perspective - he delivered this at the front of the class with passion and conviction...Dexter is definitely one to watch!!

STUDENT OF THE WEEK Year 10

Lanelle Kelly has made a great start to Year 10. Focused in lessons, answering questions and engaging in tasks. Year 10 have started their study of the GCSE text Macbeth, Lanelle has certainly risen to the challenge this week.

COMING
SOON

What are we learning this half term in French?

Year 7 : How to describe a thing or a person, saying what people have, describing what people have, distinguishing between 'having' and 'being'.

Year 8 : Talking about what there is and isn't, describing things and people, revision for Year 8 Assessment Week

Year 9 : Talking about life at school, daily life, the natural world, what you love doing, your life online, your hobbies and why you like them and what you find stressful.

Year 10 : GCSE Unit 5: 'Customs, festivals and celebrations'

Year 11 : Revisiting GCSE Unit 3: 'Education and Work' and preparation for mock exams in October

10- 13 September 2026: Village International de la Gastronomie

A big, visitor-friendly food village by the Eiffel Tower with tasting stands, cooking demonstrations and cuisines from dozens of countries alongside French regional specialities.

This year, sponsored by Alain Ducasse, visitors are invited to discover culinary products and traditions from more than 80 countries.

To celebrate the 10th anniversary of this event, this year will see a focus on the cuisine of Italy. This demonstrates the special relationship between Paris and Rome, 2 capital cities united by culture, history and a love of good food.

ÉTUDIANTS DE LA SEMAINE

Mrs Storr

Lewis Cocker and Harper Cockshott Y7 -
Well done on making an enthusiastic start to French in Year 7, showing determination in learning a new language.

Mrs Clough

Joseph Boot and Chloe Harker Y7 -
Excellent enthusiastic start to French with great participation and recall, well done and keep it up!

Mrs Sparrow

Olivia Griffiths and Stanley Baker Y7 -
For showing a real commitment to learning a new language and for lots of active participation in lessons.

félicitations à tous!

History

The Year 7s have started their History course at BBG brilliantly. The whole department is very proud with how well they have started.

We have been looking at chronology, how to work out which century a year is and and key historical words.

Our first topic is the Roman invasion of Britain and students have been hard at work understanding who the Celts and Romans are.

The department think all the Year 7s deserve Historian of the week as they have been working so hard, so a big well done to everyone.

However, a few who have done really well are Gracie Young, Elliott Wilkinson
Naimah Kamal.

Keep up the good work Year 7.

3 workers take 15 hours to build 1 wall.

(a) How many hours will 5 workers take to build 4 of these walls?

In this year's non-calculator exam paper there was this question above.

Mrs Hammond is an examiner for the exam board and she said it wasn't answered very well overall.

It is a grade 4 or 5 question as it appeared at the end of the Foundation paper and at the beginning of the Higher paper.

If you think you know the answer, please enter it on the link at the side.

Parents and teachers (and builders) welcome.

EXAM QUESTION 4TH SEPT - FILL OUT FORM

SCIENCE

BBG Science department has welcomed over 200 new, Year 7 scientists this week. The students have shown lots of enthusiasm and really seemed to have enjoyed learning the basic skills needed for their science journey here at BBG.

After finding out how a laboratory is different to a normal classroom, the students learned how to light a Bunsen burner safely and the names of the science equipment they will be using over the next few months and years.

Of course, as always, we have been asked if we make potions and do we make things explode.

MRS BETTNEY'S

BIG QUESTIONS

YOUR QUESTIONS MATTER

- Do you ever have a question that you are too afraid to ask in your Values class?
- Are you worried about friendships, relationships, vaping, alcohol, drugs, intimate health?
- You can ask all of the questions that you have in confidence that no-one will know it was you.
- **Post questions on Mrs Bettney's big questions on your tutor group teams page**

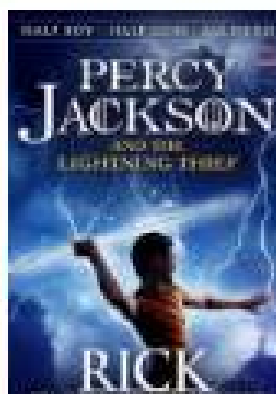

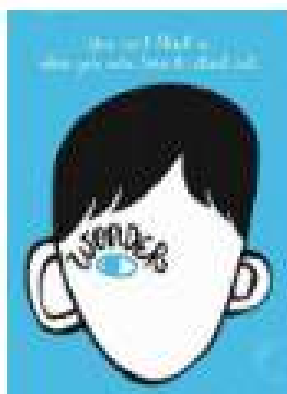

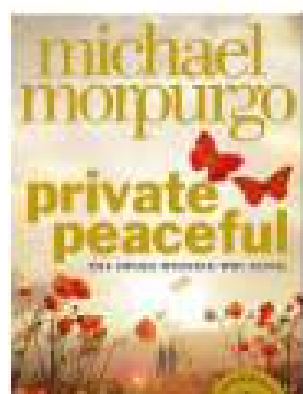

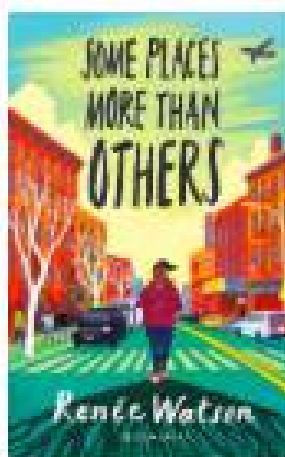

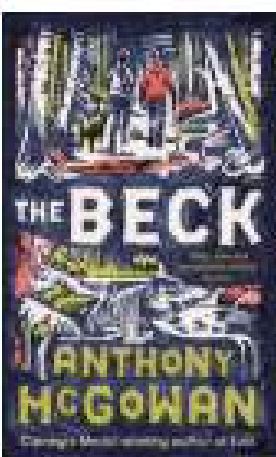

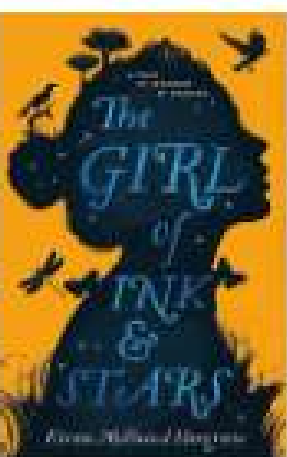

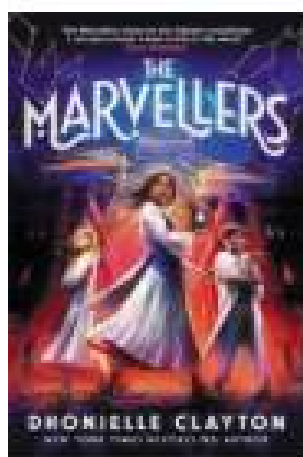

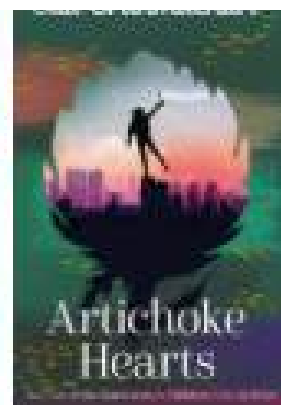

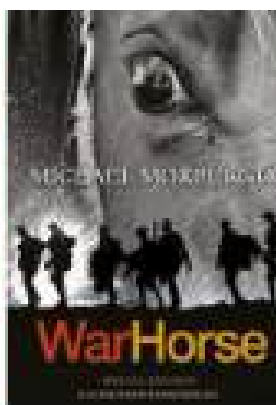

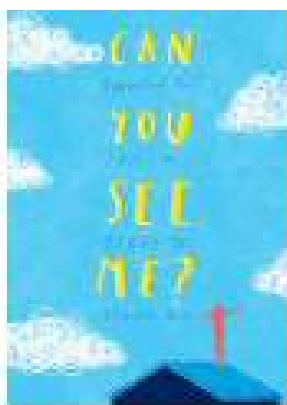

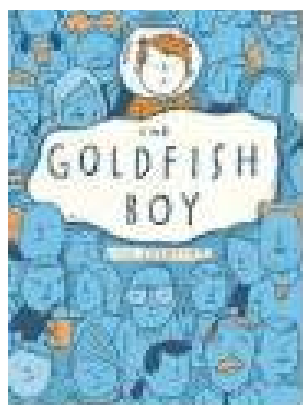

ENGLISH

READ • KNOW • LEARN

The BBG Bookcase recommendations for children to read and make progress when reading. Statistically students that read independently do better at school. Please encourage your children of all ages to continue reading daily – 10 minutes before bedtime as a minimum will make all the difference.

NB for parents/carers: Please check online reviews if you have any queries about the suitability of a book before your child reads it.

VALUES

CHANGES TO STATUTORY CURRICULUM

As you may be aware, in July the government published new statutory guidance for the teaching of Relationships and sex education (RSE) and health education.

Our Values curriculum is in the process of being updated to accommodate these changes and to ensure that students are taught the statutory content in an age-appropriate manner.

The new guidance can be found on the DfE website; a link has also been placed at the end of this article.

In light of these changes our RSE policy will also be reviewed and any necessary changes implemented. A copy of this can be found on the school website.

The Club's Official Charity

Fraudsters are clever, but you're smarter

Suspect a scam message?

Slow down
Think it through
Overcheck
Pass it by someone you trust

General signs of a scam are:

- If It's too good to be true, then it probably is!
- Act now! - pressure or urgency to share details
- An unfamiliar company or logo
- Unusual URL links e.g. bit/inst123
- Misspelt words

3 Steps to protect your personal information

Organisations who help victims

- Your bank (they never ask you to share passwords or one-time passcodes)
- Your mobile phone provider
- 'Report Fraud' is the website for reporting all fraud to the police
- Cifas (offers a Protective Registration for victims of fraud for a fee)
- Victim Support

1

Use a strong password
Short phrase or three random words. Mix letters, characters and numbers

2

Use different passwords
Fraudsters try using stolen passwords across different accounts.

3

Set up multi factor authentication
Secure accounts with biometrics and a passcode sent via an email or text
