

BBG BULLETIN

This week marked our annual Year 7 Parents Resilience Week, as we left them at home without their children for three days!

Our brand new cohort of Year 7 students headed off to the Lake District for three days of climbing, leaping, raft-building, mud sliding, fell walking, archery, axe throwing and problem solving, and had a fantastic time.

But, whilst the organised activities are amazing, the true magic of Resilience Camp happens in the canteen, the campfire circle, the dormitories, tents and around the picnic benches. It is here where the new friendships are formed and the new bonds are made. The adults and children laughing uncontrollably together because someone made a joke about a ferret and a camping stove, the arm around a shoulder when hiding from the rain, the loan of a pair of crocs, the helping hand on the scramble at the top of Gunner's Fell... this is where the memories are made and where the spirit of Team BBG transfers from one generation to the next.

Thank you, parents, for loaning your children to us for a few days. We had an amazing time, and can't wait for the next five years together!

STUDENT ACHIEVEMENTS

An exciting weekend at the Adams' House!

Reuben (Year 9) successfully finished his DofE bronze expedition with Air cadets.

Josselin (Year 11) won two tennis tournaments. Joss has never won a tournament before and then two in a row. She has worked extremely hard for many years to succeed in tennis. All the practice and training hours she's put in beginning have paid off. This is understanding what resilience is all about.

The first was the Calderdale Junior Championships u16s girls singles. The second was the Bradford and District Salting Meadows Grand Slam u16 girls singles.

GROWING MINDS!

This week we tackled lots of jobs in pairs so we could share the load and discuss the task. We shifted a lot of soil, weeded beds and planted new crops. Two students also planted some daffodils ready for a display in March. Quite a lot of the harder or dirty jobs need to be done so we reap the rewards months later and this aspect of gardening is rewarding and teaches resilience. One student made a lovely meal from a large courgette and potatoes and tomatoes were enjoyed by all. Some joinery was completed on a table and of course we found insects to observe. Well done team for sticking to the tasks.

BOOKS OF THE MONTH

YEARS 7 AND 8

Late one night, three otherworldly creatures appear and sweep Meg Murry, her brother Charles Wallace, and their friend Calvin O'Keefe away on a mission to save Mr. Murry, who has gone missing while doing top-secret work for the government.

They travel via tesseract — a wrinkle that transports one across space and time — to the planet Camazotz, where Mr. Murry is being held captive. There they discover a dark force that threatens not only Mr. Murry but the safety of the whole universe.

YEARS 9 AND 10

It is the future. There is no war, no hunger, no pain. No one in the community wants for anything.

Everything needed is provided. And at twelve years old, each member of the community has their profession carefully chosen for them by the Committee of Elders.

Twelve-year old Jonas has never thought there was anything wrong with his world. But from the moment he is selected as the Receiver of Memory, Jonas discovers that their community is not as perfect as it seems.

It is only with the help of the Giver, that Jonas can find what has been lost. And it is only through his personal courage that Jonas finds the strength to do what is right...

STUDENT OF THE WEEK Year 11

Liam Raynor Norton

Liam has made a really positive start to Year 11. They have approached their work with a mature and determined attitude, consistently working hard and trying their best in lessons. They are showing a real commitment to making progress and are responding well to the challenges. It has been great to see such a positive attitude at the start of this important year.

STUDENT OF THE WEEK Year 8

Ella Davis

Ella has made a fantastic start to Year 8. She consistently works hard, tries her best and approaches lessons with a really positive attitude. Ella is always willing to participate in class discussions and confidently shares her ideas and answers. Her enthusiasm and effort are a real credit to her, and she should be very proud of the positive start she has made. Keep up the brilliant work!

What are we learning this half term in French?

Year 7 : How to describe a thing or a person, saying what people have, describing what people have, distinguishing between 'having' and 'being'.

Year 8 : Talking about what there is and isn't, describing things and people, revision for Year 8 Assessment Week

Year 9 : Talking about life at school, daily life, the natural world, what you love doing, your life online, your hobbies and why you like them and what you find stressful.

Year 10 : GCSE Unit 5: 'Customs, festivals and celebrations'

Year 11 : Revisiting GCSE Unit 3: 'Education and Work' and preparation for mock exams in October

Festival International de Feux d'Artifice : 12 September 2026

On Saturday 12th September at the Enghien-Soisy Hippodrome, the 18th edition of the International Fireworks Festival 'Les Couleurs du Val d'Oise' will take place.

All of the firework shows are specifically designed for this event and teams from England, China, Canada and France compete to give spectators the best pyrotechnics shows, setting amazing firework displays to thunderous music!

The public then vote for the best 2 shows and they go through to the grand final in 2028.

ÉTUDIANTS DE LA SEMAINE

Mrs Storr

Madison Fagborun and Bennett Shepherd-Holland Y7 : Well done on making an enthusiastic start to French lessons in Year 7! Keep up the good work!

Mrs Clough

Hugo Towers and Jacob Kaye Y8 : For excellent participation and improved confidence in lessons. Bravo!

Mrs Sparrow

Daniel Gregory and Libbie Hinchliffe Y8 : For amazing contributions in lesson, excellent progress being made. Keep it up!

félicitations à tous!

History

Year 8 History: What was the Transatlantic Slave Trade?

Year 8 students have been learning about the impact the Slave Trade had on Britain and on enslaved people. Trans-Atlantic slavery was significant because it was the first time a slave trade had been organised internationally on such a large scale. The consequences of slavery can still be seen across the world today.

Students have followed a sequence of lessons that have enabled them to develop key historical skills and to write an account of how enslaved people were treated. This included the context of the British Empire, the triangular trade, the Middle Passage journey to the Americas and the experiences of slaves on plantations. Year 8 have approached this sensitive topic with maturity.

Maths

$$(a+b)^2$$

+ - % x

69 Students were at Past Paper club last week!
This is amazing and we can move into extra classrooms if needed! Let's see if we can beat this next week.

The Maths Department Presents...

PAST PAPER CLUB

- Boost Exam Confidence:**
Master real GCSE question styles
- Pinpoint Weak Spots:**
Identify topics that may need work
- Sharpen Problem-Solving:**
Learn step-by-step strategies to tackle multi-mark questions
- Learn Together:**
Train alongside peers in a focused, distraction-free environment with dedicated support on hand

Every Thursday 2:35-3:35 in G16

Maths

$$(a+b)^2$$

+ - % *

Three workers take 15 hours to build one wall.

How many hours will five workers take to build four of these walls?

36

Last week's question was answered correctly by

Mason Broadbent

Henry Sewell

Sebastian Sochacki

Brooke Oakes

Prizes on the way!!

Mrs Norrington entered too and obviously got it right!!

Sparx

Sparx Homework for Years 8-10

Set every Thursday, due the following Thursday.
Use the videos for help if needed. Maths support every Wednesday at Homework Club. Any questions see your Maths teacher.

SCIENCE

Year 9 have been learning about magnetism. Students investigated what happened when we placed different poles (ends) of magnet together.

We learnt the magnet rap!

North to north will repel,
south to south will aswell. Talking magnets its a fact,
only opposites attract!

Students investigated the shape and direction of magnetic field lines around a magnet, using iron filings.

Great attitude since starting
Year 11

MIKEY GARFORTH

A fabulous approach to
learning

VALUES

CHANGES TO STATUTORY CURRICULUM

As you may be aware, in July the government published new statutory guidance for the teaching of Relationships and sex education (RSE) and health education.

Our Values curriculum is in the process of being updated to accommodate these changes and to ensure that students are taught the statutory content in an age-appropriate manner.

The new guidance can be found on the DfE website; a link has also been placed at the end of this article.

In light of these changes our RSE policy will also be reviewed and any necessary changes implemented. A copy of this can be found on the school website.

[Relationships Education, Relationships and Sex Education and Health Education guidance](#)

MRS BETTNEY'S

BIG QUESTIONS

YOUR QUESTIONS MATTER

- Do you ever have a question that you are too afraid to ask in your Values class?
- Are you worried about friendships, relationships, vaping, alcohol, drugs, intimate health?
- You can ask all of the questions that you have in confidence that no-one will know it was you.
- **Post questions on Mrs Bettney's big questions on your tutor group teams page**

ENGLISH

READ • KNOW • LEARN

The BBG Bookcase recommendations for children to read and make progress when reading. Statistically students that read independently do better at school. Please encourage your children of all ages to continue reading daily – 10 minutes before bedtime as a minimum will make all the difference.

NB for parents/carers: Please check online reviews if you have any queries about the suitability of a book before your child reads it.

The Club's Official Charity

Fraudsters are clever, but you're smarter

Suspect a scam message?

Slow down
Think it through
Overcheck
Pass it by someone you trust

General signs of a scam are:

- If It's too good to be true, then it probably is!
- Act now! - pressure or urgency to share details
- An unfamiliar company or logo
- Unusual URL links e.g. bit/inst123
- Misspelt words

3 Steps to protect your personal information

Organisations who help victims

- Your bank (they never ask you to share passwords or one-time passcodes)
- Your mobile phone provider
- 'Report Fraud' is the website for reporting all fraud to the police
- Cifas (offers a Protective Registration for victims of fraud for a fee)
- Victim Support

1

Use a strong password
Short phrase or three random words. Mix letters, characters and numbers

2

Use different passwords
Fraudsters try using stolen passwords across different accounts.

3

Set up multi factor authentication
Secure accounts with biometrics and a passcode sent via an email or text
